

PROSPECTUS
of the
Dayton Weekly Empire.

BY HUBBARD & BROTHER,
LAW OFFICES OF THE LOGAN COUNTY GAZETTE,
Having been charged by the Dayton Empire we
have all the desired facilities for publishing this
class paper, and respectfully submit this Prospectus
to the Patriotic, Liberty-loving Democracy every-
where, for their subscription and support.

The paper will be a Democratic paper, without
any偏見 or partiality, and will be the champion of
the Law, for Liberty, for Peace, and for the
right of every man to be his own master, and to do
what he pleases, and, no, himself, but earnestly,

say we. These ideas we shall incidentally, not by
any means, be compelled to submit authority, but
within the limits of the few arguments by those
who appeal to the reason of the people.

This year of 1863 is destined to be memorable for
all time. It must mark the era of Democratic Resto-
ration—Law, Order, Freedom, and Union—with the utter
and final overthrow of Anti-Slavery, with ex-
ploding Despotism, or Anarchy, which is more to be
deplored than Despotism.

One of the conditions of Democratic success, which
will be manifested with, is the restoration of Dem-
ocratic principles, and the adoption of the principles
of every man who will read them. If this were ad-
mitted, all could of course next fall would be re-
stored. The people will reform themselves, if they can
only be informed.

Those who were readers of the

LOGAN GAZETTE

Will understand what it is to be the champion of the
Democrats. In addition to carefully prepared and sound
Democratic editorials and selections, it will be full of

Life, Spice, and Variety.

A. MARSH MELLOMINE—having decided to take
charge of the Roman Empire—will have a Depart-
ment in the paper on "Owning," and will "irritate
the evening horizon" with his usual ability, as
the sequel will truly show.

The author of "THE GREENADE HOTEL," "RYE
COFFEE," "DE GRENADE," &c., will sing his
complaints over the want of success in his efforts.

There will be in the *Logan Gazette*, no quantity of
Buttermilk picked up under our own Tree, and
served in endless numbers of the Weekly.

In addition to this, careful attention will be paid to
the news of the West. Marine Reports, and, in a
word, all that is picked up around, reliable, and
readily sound Democratic paper.

We send this Prospectus to old friends everywhere,
and to many of whom we hope to make friends, in
the belief and hope that they will aid us in the establish-
ment of a reasonably prosperous Democratic
paper.

TERMS:

To single Subscribers \$5 per annum, always in ad-
vance. After delivery of the first number, we have the right to demand
one cent extra for the cost of mailing, and
to send ten copies of the Weekly for Fifteen Dollars,
knowing that there is not a township in Ohio where a
club may not be made up on these terms.

The paper will be sold subscribers for \$4 per an-
num, in advance, or six months for \$2.
